POINTS

We will be awarding awards to the top 5 in year-end points.

Points will be based on each D.

Highest placing in each D will be awarded as follows:

1st place in each D/5 points

2nd place in each D/4 points

3rd place in each D/3 points

All the way through 5th place, ending in 1 point.

We will also be awarding attendance points to anyone that enters a Diamond Bar Race at 5 points per race competed in, so you will have 2 chances at receiving points but can still get points without placing in the top 5 of each D

If you only have 1 membership, but compete on more than 1 horse, points will be awarded to highest earning points 1st. If an additional horse is membered, the horse with the lower points will be awarded to the 2nd membership.

All contestants will be required to pay the \$5.00 Finals Fee included in your entry fee. This will go towards your added money for the sudden death finals.

Only qualified members will be eligible to compete at the finals.

Awards

As of now we are guaranteeing saddles to the winners of each D Year end winner of the Open 4D & awards down to 5th of each D.

FINALS

Finals will be sudden death and only those members who have competed in a total of 10 Diamond Bar eligible competitions will be able to compete at finals.
